

If you want to buy a new Drill try the Peoria Union Drill at Webb Bros.

THE JASPER NEWS

VOL. VI.

JASPER, MISSOURI, THURSDAY, AUGUST 13, 1904

NO. 48

WORK!

There seems to be more work in Jasper and Barton counties this year than was ever known before. While some of the farmers are now cutting their wheat others are threshing and some plowing for new crops. Plenty of work is alright if you have the proper tools to do the work with. When it comes to plowing nothing beats the Good-enough Plow. It is made solid and sure does the work alright and is known as the lightest running plow made and can be bought at a reasonable price. It is not the cheapest plow made nor the highest priced but there are more farmers that say it is the best plow ever used than any plow that's made and if you are having any trouble keeping your plow in the ground try a Good-enough.

Some falls a person needs a disc. We have the Moline that does good work we would like to sell you, but if you want the best disc you ever used just get an Osborne Rival disc and you will agree with us that it is the best disc that

Your Humble Servants,

Empire Steam Separator will make you Money

WORK!

you ever used. After you have plowed your ground right, harrowed, and used disc when necessary there is one other thing you must use if you wish to prosper, and that is, use Swift's Pure Raw Bone Meal on your wheat ground and you will then raise good wheat. There are other brands besides Swift's Raw Bone that will make your wheat grow larger the first year but there never has been a fertilizer used in Jasper county on your ground that kept the land producing year after year like Swift's Pure Raw Bone Meal. One of our best Farmers told us that he used Swift's and another brand we could name, side by side and the first year there wasn't any difference to speak of but the second and third years Swift's made a good yield and the other the land seemed dead. Moral—Always use Swift's Pure Raw Bone Meal and build up your land.

There is another thing you ought to have to move your crop with after you have raised it, and that is a good

wagon. We have it in the Genuine T. G. Mandt; that has 11 spokes in each front wheel and 16 in each rear wheel. It has Hickory Axles, Oak or Birch Hubs, 7 braces on bottom of bed, Dust proof Axles, and this is one of the strongest made wagons on the market and we are prepared to make you the right price as we buy them by the carload for spot cash.

When your busy time is over you will then want to buggy ride. And now we are coming to what we like to talk to you about and that is the New Honey Buggy that has 38 inch springs, 15 springs in each cushion, and 14 coats of paint on the bed. This buggy is known to give the best satisfaction of any buggy sold in the county and we, ourselves, stand back of it and we have the company back of us. We are not the kind that change location every year but we like to stay and any goods bought of us guaranteed to give satisfaction to all reasonable parties.

Plenty of American Hog Fence

Webb Brothers.

Bridging them in

We like to do bridge work because it is so satisfactory to the one for whom we do it. We know the bridge work needs for you will be pleasing.

We like to make plates, of course, but to sign names on them now, let us know your needs.

HOWARD GRAY FOR JUDGE.

A HOUSE PARTY

At the Fox Home East of Town Last Week.

NOMINATED BY THE REPUBLICANS YESTERDAY.

No Other Candidate For The Office And Nomination made by Acclamation.

The Republicans of Jasper county met at Carthage yesterday and nominated Howard Gray of Carthage for the post of judge of the circuit court for division No. 1 of Jasper county.

The nomination went to Mr. Gray no competitor for his party and as no other candidate was present before the convention Mr. Gray was nominated by acclamation.

AT THE CHRISTIAN CHURCH.

Special Revival Services Now In Progress.

Special revival services are now in progress at the Christian church in this city. The meetings began Sunday night, after Rev. Jonas preaching Sunday Monday and Tuesday nights. Rev. J. B. Jones of Springfield preached last night and will assist Rev. Jones during the remainder of the meetings. The next meetings begin Friday afternoon.

For County Collector.

Elsewhere in this issue will be found the announcement of Mr. Frank Robert of Carl Junction who is a candidate for Democratic nomination for County Collector. Mr. Robert is a substantial business man of Carl Junction and has the full support of his party in Two Grove township and doubtless would make a good officer.

Worlds Fair Party.

Mr. and Mrs. Mark Quillen, Miss Anna and Emma Busby, Rhoda, Sophie and Ruth Bedell and Nellie Crow and Mr. Dan Bedell left Tuesday morning for a week's visit at the worlds fair.

Mrs. Jackson and daughter, Miss Pearl, and Miss Essie Snyder of Crawfordsville, Ind., are visiting Mrs. A. M. Crandall in this city. Mrs. Jackson is a sister and the young ladies are nieces of Mrs. Crandall.

Notice.

Dr. Harry J. McCartney, D. V. S., successor to Dr. D. B. Morgan, will be at Jim Thompson's barn one week with the best equipped veterinary outfit in the state, Aug. 16th to 20th. Bring in your stock and have them examined free. Come to their wagon and see a horse living through a sever tube.

Doug. Gresham Gets 23 1-2 Bushels Wheat Per Acre.

The biggest yield of wheat per acre that we have heard of this year were reported by Doug. Gresham, the well known farmer living southwest of town. Out of a 60 acre field he threshed over 140 bushels or 23 1-2 to the acre. This amount at the 1 1/2 price now being paid for wheat naturally makes Doug. feel pretty good.

A PARSONAGE WEDDING.

J. W. Dryden and Miss Nellie Potter Married.

J. W. Dryden and Miss Nellie Potter, of the Mt. Moriah neighborhood drove to Jasper last Monday and were married at the Methodist parsonage. Rev. Ferguson performing the ceremony.

Mr. Dryden is a well known farmer near Preston, and Miss. Potter is the daughter of Mr. and Mrs. Stephen Potter who live near the Mt. Moriah church.

A Short Runaway.

A lady whose name we were unable to learn, drove down to the mill to get some feed and while there her horse became frightened and got away from her and ran away. It ran east on First street was stopped before any damage was done.

Rev. Combie Smith, of Omaha, Neb., is in the city visiting Mrs. Smith's parents Mr. and Mrs. Wm. Heffner. Mrs. Smith and children have been here for a month or more. Rev. Smith is the pastor of the First Methodist church at Omaha.

S. P. Watson is suffering from a very sore hand the result of being poisoned. Take a look at that Fertilizer wheat Drill at Bailey's.

MUCH WHEAT MOVING.

COMING IN BY THE THOUSAND BUSHELS.

Mr. Talman Taking in From Two To Three Thousand Bushels A Day.

Wheat has been coming into Jasper at a lively rate during the past couple of weeks. The wagons from the east, north and south make almost a continual procession down Main and Avenue all day long and up to 10 and 11 o'clock at night. The Jasper elevator has an extra force of hands at work from early morning to late at night and then they find it a hard matter to keep the grain moving.

Mr. Talman is taking in an average of 250 bushels of wheat a day aside from a large amount of hay and some oats. Last Friday was an unusually dry day 63 loads of wheat and 2 loads of oats being taken in on that day. Counting 52 bushels as an average load this means that the days remaining are not to exceed 250 bushels.

The best wheat is now bringing 85 cents which will indicate that the farmers are increasing their bank accounts some. Mr. Webb of Bank of Jasper says he is paying out on checks from the Jasper and the Cheyenne elevators at the rate of \$1500 a day and he predicts that the amount paid out this week will exceed \$15,000.

Besides the wheat elevators the Jasper Mill takes in about 500 bushels a day, this being about as much as they can dispose of. The mill is now running night and day.

Wheel Came Off.

While Ben Johnson, the well known farmer, living 8 miles east of town, was going through town Tuesday afternoon with a load of wheat when one of the hind wheels of his wagon came off letting the wagon down. Part of the wheat was spilled out and Gale Simpson who was hanging on behind was thrown off but was not hurt. With the aid of several men the wheel was replaced and Mr. Johnson went on his way rejoicing.

Notice.

On the 19th of this month the Prohibitionists of Jasper Co. will hold an all day rally at Lee's side Park. The State chairman and candidate for governor as well as other prominent men will be present to discuss the issues of the day. All who believe in the down fall of the liquor traffic are earnestly urged to be present.

Quarterly Conference.

Rev. S. J. Brown, will preach at the M. E. Church, South, next Saturday at 8 p.m. and Sunday at 11 a.m. Quarterly Conference Saturday at 2:30 p.m. J. F. Pike, Pastor.

Roy Wells and Will Teeter got back yesterday morning from their trip to the world's fair. They report it quite a show, possibly better than Jasper's Fourth of July celebration.

Mr. and Mrs. James Pottorf were over from Albany yesterday. Mr. Pottorf reports his business prospering at that place.

You will soon be wanting school shoes for your children. I have something nice in that line to show you.

C. W. Stratton.

To the City Feed Store, Cor. of Main Street and Grand Avenue, when you want flour or feed. Best flour made and feed all kinds as cheap as the cheapest.

J. D. Waldron, Mgr.

CAME BACK CRIPPLED.

"Bob" Burkett Sprains His Arm Before First Game.

"Bob" Burkett, who went over to Columbia, Kansas, last week to play base ball with the Columbia team, came back home Saturday night with a crippled arm. He sprained the arm in throwing the ball to first base while the team was warming up for a game with the Steamboat team. Although his arm is so badly hurt that he could hardly throw the ball or hold the bat, he played in the game and made three hits during the game.

He stayed over there till Saturday hoping that his arm would get well enough to play in another game, but it did not seem to be getting well very fast and he decided to return home.

ROSE-BAIRD.

J. S. Rose and Mrs. Ad. Baird Married Thursday.

J. S. Rose and Mrs. Adelbert Baird were united in marriage at the home Dr. Jeffrey at Carthage Thursday, Dr. Jeffrey performing the ceremony. After the ceremony the couple went to Galena where they visited Mrs. Rose's sister Mrs. De. Snodgrass. They returned to Jasper Friday and will make their home on Mrs. Rose's farm just north of town.

Friday night Mr. and Mrs. Rose were the recipients of a grand fashion dinner, the noise of which could be plainly heard in Jasper.

Ware Schoolmates.

Mr. and Mrs. James Thomson entered a number of friends at dinner recently in honor of Mrs. J. P. Ware who has been visiting her parents Mr. and Mrs. Hinman. Those present were Mr. and Mrs. Omer Webb, Mrs. Pike, Mrs. Tom Flowers, of Carthage, and Miss Mayne Hinman. All the ladies of the party were school girls together at Pleasant Hill south of town in days gone by.

In Police Court.

Rosie Woodrow was arrested Saturday night for drunkenness. He was indicted before Police Judge Tom Levy and was fined \$100 and costs amounting in all to \$150. The fine was paid and Woodrow was released.

3 doz. pos. Ladies Slippers for sale below cost at Stratton's.

We want to sell a hundred Buggies at \$2 profit Bailey.

I would rather sell a hundred Buggies \$2 profit than 10 at \$20 profit. Bailey.

If you are going to buy a Gang for sulky plow I will make you a real hot price. Bailey.

Why ride in a steel tire Buggy when you can buy a rubber tire of Bailey at steel tire prices.

Two dollars profit on a Buggy looks bigger to me than fifteen dollars does to some dealers. Bailey.

If you are not married to some other Implement firm come in and let me give you some prices. Bailey.

If you can't make money raising wheat and oats you can by buying Implements Wagons and Buggies of Bailey.

Did you look at those Columbia Buggies at Bailey's? There is no better and the price. Well just come in and I'll tell you about it.

It is true the wheat and oats crop is bad, but you can save money by buying your Implements, wagons and Buggies from Bailey.

Don't run off to Carthage or Lamar to buy a buggy and get skinned out of 10 or 15 dollars. Jasper is headquarters for Buggies now. Bailey will save you money.

BIG NINE CENT SALE
